I love to feel good. So when there is no man around, I like to take things into my own hands and do what I've been doing almost every day of my life. But today, TJ's cumming over. I call him big muscle dick because he's been working out and looking good. And he's got a really pretty cock, but don't let him hear me say that. But oh, I've said too much. Sit back and watch!

Yeah, that's it. Take a nice long look at this fine hispanic ass and wish you were going to fuck it. First, you gotta prove to me that you're a man that can handle it.

I just love dressing up — just to undress. From frilly waistcoats and corsets to cute little schoolgirl skirts, these are the things that make me feel sexy. When I was younger, I loved the torn jeans and belly shirts, but my tastes have become a bit more sophisticated as I hit nineteen. But no matter what I wear, I wear my glasses the best.

Guys always make passes at me and it's gotta be because of my glasses. But our little secret... I don't really need them.

good luck with my ex and gf

– Will, St. Louis

I've been only one semester at Wash U. here in St. Louis when I ran into my ex who wanted me to meet her new roommate - a friend of hers who had returned to the school after a year in Europe. The roomie and I hit it off and started dating a couple weeks later. It was a bit strange being that her roommate was my ex-girlfriend. My ex and I had a great sex life for a few months but then broke up when I found out that she was also fucking a guy in the dorm next to hers.

At a break party my roommate and I were throwing, these two ladies of mine stopped by. Things were getting pretty wild when the ex stepped out to get some air. I followed her just to see if she was alright. Both of us being drunk led to a sexual conversation and she began to relate how she missed 'willy.' We began making out in the hallway and were quite involved when my current gf came out into the hall. They both began to flirt and kiss me, talking about how they wanted my manhood and missed oral sex with me, etc. The ex began rubbing my crotch and licking my ear while the gf started rubbing the ex's boobs and asked if I missed them as much as they missed me. I agreed that I did miss the sex with her; the ex was particularly great in bed and I missed her fantastic breasts. They looked at each other and decided they should give me the time of my life with a threesome. I was so excited that I didn't even go back to my room to tell my roomie where I was off to, nor did I even grab a condom, I just went with the girls back to their room.

Once there, we immediately stripped off all our clothes and jumped into the bed. The ex began licking the gf's clit with me. After she came, I entered her from behind and leaned around to help her go down on the ex. We switched positions a few times when the ex decided that she should give the gf a lesson in how to properly give head. They both shared my cock for a while, each sucking on it and then trading off to the other. For awhile I was so relaxed that I began to stare at a lava lamp in the room and ended up being yelled at for ignoring them! After that, the ex sat on me and we made love in a very monogamous way while the other one watched and masturbated. This kind of thing continued into the night and we eventually fell asleep in a pile of sweat and cum.

Months later I stopped by their room to just say hello and found my ex wearing nothing but a loose shirt and the gf lying in bed reading. Just to see how she would react I slipped my hand under the shirt of my first ex. She reached around and began to undo my pants, and standing right there in the room in the middle of the afternoon we put on show for the other girl. I entered the ex from behind and we removed every piece of clothing we had. This time there was no threesome, only two of us putting on a show for the gf, who just lay there masturbating. When we finished, the gf went and got some soda pops and we all sat on the talking sex.

southern hospitality

– *Harvey, Little Rock*

New Orleans has always fascinated me and my wife so we decided to go for a short vacation. The days went quickly and we saw all the sights and spent one evening cruising Bourbon Street. Now, the wife was desperate to get some last minute shopping in. Her sister, Angela, (who came with us on the trip) was going to meet up with some of her friends from there, so I was on my own for the rest of the day.

I was wandering around the French Quarter, taking in more sights and managed to get myself lost with no idea of the route back to the hotel. I was standing on a corner looking around trying to work out which way I needed to go, looking very lost, when I heard someone say, “Do you need some help finding something?”

I turned to see this pretty blonde looking at me. “I guess I do. I was trying remember which way my hotel is?” She flashed me a smile and walked over to me. I told her the name and she said that she was going that way so she would walk with me, if I liked. I thanked her for her consideration and we started walking.

We exchanged small talk and she said her name was Rayanne. As we walked I couldn’t help but notice what a great body she had and the most amazing boobs I had seen in a long time. I’m sure she saw me checking them out a couple of times but she didn’t seem to mind.

We got back to the hotel after about twenty minutes and I invited her in for a thank you drink which she gratefully accepted. As we were in the hotel bar, Angela walked in so I called her over. Turns out her friends couldn’t make it today so she had come back to the hotel to work out what to do. One drink turned soon into a few and Rayanne and Angela seemed to be getting on like old friends. I must admit the did make a great site two beautiful ladies, one blonde and one brunette.

I made my excuses and went to our room to take a nap as I was feeling tired and I knew that my wife had a busy evening planned for us. I woke up about an hour and a half later. As my senses approached 100%, I became aware of talking coming from Angela’s room which had a connecting door to ours. I walked over and slowly opened it and was greeted with a sight that will live with me forever; two naked ladies on the bed, Rayanne on her back with legs spread and Angela’s head buried between them with her naked ass in the air.

I stood there with an open mouth not knowing what to do or where to look, although my cock understood and was stiffening immediately. I must have made a noise as suddenly they both looked around and saw me. Without hesitation, Angela beckons me over. I walked over as if in a trance and soon had two pairs of willing hands taking my clothes off and my cock was soon out in the open. Ray-

YES, I'M WET.

anne and Angela bent down and started running their tongues up and down the length of my cock. I smiled and thought I had gone to heaven. Within seconds I felt the familiar tingling in my balls and knew I wasn't going to last much longer. "Take it easy on me." I said, but that just made them work harder on my cock.

A couple of seconds later I began to shoot my load over both of their tongues and faces. They kept licking at my cock until every drop was gone and then started kissing each other, passing my cum between them until both swallowed it down. They moved to the bed and started going at each other as they were before, Angela burying her head in Rayanne's pussy. I walked over and started touching Rayanne's gorgeous boobs. They were the finest pair I'd ever seen, just the right size but soft and firm with beautiful hard nipples. I grabbed them, squeezing hard and loving the feel of them. Rayanne reached out and grabbed hold of my cock which was rock hard again. She moved me round and started slapping my cock against her boobs. This seemed to turn her on even more and she started bucking and screaming as she came. All the time Angela was still munching on her pussy and was rewarded with a flood of Rayanne's juices. She pulled her face out from between Rayanne legs to show us lady cum running down her chin.

Rayanne stood up pushed Angela to the bed and moved her face onto Angela's pussy. I positioned myself behind Rayanne and ran the head of my cock against her wet pussy. It easily slipped between her pussy lips and my cock was soon fully enveloped. It felt so good warm and wet and a perfect fit. As she licked Angela, I slowly fucked her. I pulled out and walked round to where Angela was and presented her with my cock. She eagerly took it in her mouth licking off Rayanne's juices. I reached down and brushed my hand over her erect nipples.

Angela then looked at me and told me to fuck her. I couldn't turn a request like that down so I laid on the bed. Angela squatted over me and eased herself on to my cock. She was so wet and warm it slipped in easily. Rayanne positioned her pussy over my face and my tongue soon went to work. Rayanne and Angela were now facing each other and ran their hands over each other boobs, squeezing and fondling them.

Angela's pussy was amazingly tight on my cock and her movement was awesome. That coupled with the sweet taste of Rayanne's pussy soon had my balls twitching again and within minutes I was shooting my load again and again into Angela's pussy. I slowly went limp and she slipped off me at which point Rayanne slipped a couple of fingers into Angela's pussy, pulling them out with my cum on them. She proceeded to lick them clean and then repeated it and fed them to Angela's waiting mouth.

I collapsed on the bed, smiling. Angela looked at me and said she thought Rayanne deserved a better thank you than just a drink for being a good samaritan and getting me back to the hotel. Now how could I argue that logic?

Foreplay is a totally under-estimated turn on for us women. I gotta have foreplay before sex, lots of it. Not only will it get me in the mood, but it feels really good. I must have my boobs touched and my nipples sucked before heading down South or shoving your cock into me. Can that ever be too much to ask of my lovers?

two guys to make my day

It is eleven in the morning and I'm about to begin my grooming ritual.

Every Saturday morning I try to make time for myself. No distractions, no intrusions, until I'm ready. I like to soak in the tub and shave my legs and at that time my pussy, too. Then I'd dry off and sit on my bed and do my toenails, and then fingernails. I would brush out my hair, which is long and dark. I'd do my eyebrows and then spend some time on the computer, not doing my schoolwork. Anything but.

It is eleven in the morning and I'm about to begin my grooming ritual. I'm standing in front of the bathtub watching it fill up, and poured in my favorite scented oil, patchouli. I heard Craig behind me saying, "We'll pamper you, Stef." I was stunned out of my daydream by the surprise of his voice behind me. Then he hugged me and I felt his hard cock pressing into me. Craig is one of my two male roommates and he should have known better than to bug me on Saturday morning.

Craig moved away when I felt what at first was him hugging me but when his hands went around me and cupped my breast, I heard a second voice saying he wanted to join in. It was Kurt, Craig's friend and not the other roommate. He's a well built, always horny guy, as is Craig. I've messed around with Craig before but not with Kurt. I could only laugh and say, "You two have to wash me down before anything happens." I say. The two guys stripped naked throwing their clothes into the other room.

I get into the tub and settle back, feeling the warmth of the sensually oiled water. My 'dream' was getting more real as I felt my breast being washed and massaged while a soapy finger slithered up inside my pussy. I started letting out little sighs especially when I felt a warm wet tongue on my earlobe and warm breath on my ear. Then my nipple was licked and then sucked in between warm wet lips and teeth made little nipping bites as the other nipple was gently twisted and pulled on. I felt a finger softly rubbing my anus and gently probing in deeper and deeper until it was in me as far as it could go. Then it was ever so slowly removed from my butt hole and it encircled my anal opening cleansing it and sending shivers of delight up and down my spine. I felt a finger in between my butt cheeks rinsing away any soap.

Then water was poured over the front of me as I felt hands massaging my breast and a finger snaking into my pussy rinsing me clean. I felt the erotic sensation of their hands rubbing my feet and calves. I turned in the tub onto my knees and Craig moved up by my head and was rubbing lotion into my shoulders and back. His hard cock almost in my face. My tongue flicked out as my hand grabbed him and swirled my tongue over and around the head of his cock.

Kurt was content to play with my sopping wet pussy as I sucked on Craig's beautiful cock. Craig told Kurt to lick my butt hole and get it nice and wet and relaxed so they could fuck it. Both Craig and I felt his hesitation. I looked back at Kurt and said "I'm very clean there Kurt it's OK you know to lick and kiss my butt hole and even put your tongue in there." Craig said it's OK if he doesn't do it, then he wouldn't get to stick his cock up your butt either. Kurt said okay but asked if he could still have some pussy. Nothing was said for a few minutes. The long silence made Kurt nervous and he said "Well I'll try it, but if smells or taste bad I'm not going to. OK!"

I told him he didn't have to do this. He said he really want to try. I got out of the tub and the guys dried me off and rubbed lotion all over my body. That got me even more excited, as well as two naked hunky guys here with me. So I told Kurt to lay on his stomach and I spread his butt cheeks open and started to lick the rim of his asshole and stick out my tongue and make little probing stabs into his anus. Kurt was very surprised as I heard him say that really does feel hot as hell. I told him to sit up and I kissed him and said I hoped he'll enjoy doing it too.

Now he told me to lay down and as soon as I did, he had my ass cheeks apart and was making licking motions on my puckered butt hole with his tongue. I moaned out louder than usual so he would know how much I was enjoying it. Craig jumped on the bed and stuck his cock in my face again. I gladly took his cock in my warm wet mouth and bathed the head of his cock with slow swirling licks around his cock, then opened my mouth and took him down my throat. I got up on my hands and knees and told Kurt to fuck me now while I sucked Craig's cock.

I had a cock in my mouth and a cock in my pussy but I knew soon enough they would both be fucking my asshole with their hard young cocks. I was moaning around Craig's cock as Kurt started to really fuck me hard and fast with deep strokes that had my wet pussy clenching and quivering around his stiff cock. Craig was holding the back of my head and throat fucking me at the same time. The room was filled with wet sucking and slurping noises of my pussy and throat being fucked with hard deep strokes. Kurt was telling me how hot and tight my pussy was and he couldn't believe he was fucking me.

I pushed back and rotated my ass in circular motions as he held me by my hips and pounded his cock into my tight pussy sending spasms of pleasure through my body. I was totally lost to anything but the pleasure of his cock slamming in and out of my soaking wet pussy. Craig pulled his cock out of my mouth and started jerking off sending jet after jet of hot sperm splashing onto my face. I opened my mouth trying to capture his sweet tasting cum as it shot out all over me. He fell back and I put my head in his lap and cleaned the left over sperm from his cock. Without a word I felt Kurt pushing a wet finger in my ass as he pummeled my pussy with hard deep strokes, and now I was moaning out loud. Kurt answered me with hard jarring strokes as he rammed his cock in and out of my swollen pussy sending wave after wave of pleasure rippling through my pussy. I felt my pussy starting to quiver and go into spasms as my own orgasm washed over me. He grabbed my hips and held me tight to him and I threw back my head and moaned out a long intense orgasm that started deep within my pussy and exploded with gushing pussy juices that squirted out around his hard cock. As he grunted, his cock shot hot ripping bullets of sperm deep into my quivering pussy.

He leaned over me and kissed my neck and shoulders with tender passion filled kisses. I turned to lay on my tummy and I felt him spreading my ass cheeks apart and rubbing our mingled juices in and around my asshole. He carefully pushed his finger in and I pushed my ass back on his finger. He withdrew his finger and pressed his cock against my puckered little hole. With one stroke of his cock he was buried balls deep in my dark tight hole. I grabbed the sheets of the bed and moaned out over and over for him to fill my ass full with his hot hard cock. The room echoed of his thighs slapping against my butt cheeks as he drove his cock deep into my ass over and over. He was relentless as he moderated his strokes from pounding hard deep strokes to slow twisting gentle strokes. I was having multiple orgasms as he held me by my hair and pounded into me.

Craig soon wanted some pussy so Kurt withdrew his cock from my ass and lay on his back as I squatted down on his hard cock. I lay back and suddenly Craig rammed his cock into my cum soaked wet pussy, screaming out loud as he slid his cock deep inside of me. I now had two hard as steel cocks buried in me. Kurt was fucking my asshole with bowel wrenching pounding stroke after stroke. They both slowed their paces as Craig leaned down and kissed me and said I was the best and hottest roomie in the whole world. I could feel their cocks against the thin wall between my pussy and my asshole. I sighed out and said ‘mmmmmm’ this is one of the best Saturday mornings ever.

Craig reminded me he still hadn’t fucked my ass yet and when he did the whole world was going to hear me screaming as he ripped my asshole apart. I smiled and said that would be a wonderful way to end the day. Both guys started really fucking me now with hard deep long strokes that had me moaning out and sighing. I was soon rewarded when they really fucked me hard and fast as they were nearing that point of filling me full of their hot sperm. All of us were screaming moaning and or groaning and grunting our way to one last earth shattering orgasm. The guys slammed into me over and over as I began to feel my orgasm building up like a volcano waiting to erupt. Kurt was the first to cry out as his cum shot out of his pulsating cock and splashed against my bowels. Craig was right behind him fucking me faster and faster with his hard thick cock until I felt his hot sperm shooting into my pussy in huge gob after gob of cum, filling me to the point it was flowing out of my slippery wet pussy. My own orgasm hit me like a hurricane that made me tremble and quiver as spasm after spasm ripped through my cock-filled body.

...I was the best and hottest roomie in the whole world. I could feel their cocks against the thin wall between my pussy and my asshole.

After all that, it didn’t take much for all of us to fall asleep. I woke up to Craig’s cock in my ass, but he was fucking me sweet and slow. I was on my side as his cock was burrowing its way into my puckered ass. We rocked back and forth to a slow rhythmic motion. I thought that was a wonderful way to wake up. I found my engorged clit with my finger and started slowly teasing myself with soft featherlike touches. I didn’t think I had another orgasm left in me but as I started faster little concentrated strokes with my fingertip on my clit my pussy began flowing out warm bubbly juices of all the mixed sperm pussy juice.

Kurt stirred and looked at us. He said he’d leave us alone to enjoy the rest of our Saturday. I heard the door slam behind him and Craig’s cock slam into me. We both came again and that was that. Craig gathered his clothes and headed back to his room. Through the wall I could hear their muffled voices. I wonder what they were talking about?

lora

I'm going to work out a big cock today, and I'm sure it's going to go to work on my pussy. Hope you like.

Lora likes to serve it up piping hot, and Titus loves the way she does it. He'll shove his eight inch cock between her lips and into her wet, waiting pussy when she begs him for it. Much like a vampire on a daily quest for blood, Lora looks for cock to suck dry. If you're the lucky victim of her hungry mouth, then prepare yourself for her sexfeast. Fortunately, Titus has enough cum to keep her satisfied all day.

What's a nice girl to do when her beautiful pussy is so fine that it just won't stay in its panties? What's this same girl to do when she wants to show it off all the time? My idea: Strip off them panties and let you see it so you can admire it, and then pull out your cock and fuck it. Nice girls like that!
